

Every Move I Make

every move I make I make in You
every breath I take I breathe in You
every step I take I take in You
every breath I take I breathe in You

cause You make me move
yeah You make me move Jesus
I will follow You
I will follow You

you singin'
na na na na na na na na na
na na na na na na na na na
na na na na na na na na na
na na na na na na na na na

waves of mercy
waves of grace
everywhere I look I see Your face
Your love has captured me
oh my God this love how can it be

na na na na na na na na na
na na na na na na na na na
na na na na na na na na na
na na na na na na na na na

every move I make I make in You
every breath I take I breathe in You
every step I take I take in You
every breath I take I breathe in You

cause You make me move
yeah You make me move Jesus
I will follow You
I will follow You

you singin'
na na na na na na na na na
na na na na na na na na na
na na na na na na na na na
na na na na na na na na na

waves of mercy
waves of grace
everywhere I look I see Your face
Your love has captured me
oh my God this love how can it be

His love is in heart and in my soul
He's taken over
He's in control
He's in my steps
yeah He makes me move
He's gives me life
His way is what I choose
so if you feel it and I know you do
c'mon jump to the beat jump, jump
let's jump to the beat jump, jump
and move

waves of mercy
waves of grace
everywhere I look I see Your face
Your love has captured me
oh my God this love how can it be

na na na na na na na na na
na na na na na na na na na
na na na na na na na na na
na na na na na na na na na
