

Faithful

You were before time
And You'll be when it ends
You have no beginning and no end
Your word will endure
Without change it is sure
On Your promises we will stand secure

Faithful, You are ever faithful
You are ever faithful to us, God

Your might You display
In the skies everyday
Everything You created for Your praise
From the cross on the earth
To Your throne You return
Where You reign over all creation
Never changed, You are never shaken

Faithful, You are ever faithful
You are ever faithful to us, God
Powerful, You are crowned all powerful
All the world will bow before You, oh, God

You're the song of my soul salvation
Life that cannot be taken
Faithful, You are ever faithful
You are ever faithful to us, God

Faithful, You are ever faithful
You are ever faithful to us, God
Powerful, You are crowned All Powerful
All the world will bow before You, oh, God
