

Look At Our God

With all my heart, I will love you •
With all my strength, I will praise you •
You made everything, everything that I see •
You made everything, to show your love for me ••

Chorus:

We shout, say Wow! • Look at our God, look at our God •
We shout, say Wow! • Look at our God, look at our God ••

You made the stars, you carved out the seas •
God you are great, great is your love for me •
You made everything, everything that I see •
You made everything, to show your love for me ••

(Chorus 2x) ••

We love you (We love you), we praise you (We praise you) •
God we love you (God we love you),
God we praise you (God we praise you) ••

(Chorus 2x) ••

We love you (We love you), we praise you (We praise you) •
God we love you (God we love you),
God we praise you (God we praise you)
