

Unbelievable

Verse

When the sun comes up
In the morning light
'Til the day is done
And I close my eyes
You're everything I need
You never leave my side
You're unbelievable

Yeah, yeah
You saved my soul
When You rescued me
You give me life
And You bring me peace
You're the one I lean on
You're the strength I need
You're unbelievable

Chorus

Whoa
You are always with me
Whoa
You're faithful and You're strong
Whoa
Your love is amazing
You're unbelievable

Verse

From the start of time
I was in your plan
Just like the whole wide world
You hold me in your hands
Your love is so big
I'll never understand
You're unbelievable

Chorus

Whoa

You are always with me

Whoa

You're faithful and You're strong

Whoa

Your love is amazing

You're unbelievable

Whoa

Even in the darkness

Whoa

Your light is around us

Whoa

Your grace is unstoppable

You're unbelievable

Bridge

Your light shines brighter than the sun

Your name is higher than anyone

We give You thanks for all You've done, Jesus

Your light shines brighter than the sun

Your name is higher than anyone

We give You thanks for all You've done, Jesus

Chorus
